EXTENDED CARE

Activities in the morning are low level, i.e. coloring, games, movies. Our unique afternoon system allows campers to choose which activity they would like to participate in. Some choices include going to the park, swimming, playing in the gym, watching movies, playing board games and low level arts & crafts. All campers in the Jr. Explorer camp must stay in the movie room.

Please feel free to send your child with a snack or drink in the morning and/or afternoon (no refrigeration available).
