Summer Camp 2010 The Prospect Heights Park District's summer camp is ACA (American Camp Association) accredited. ACA accreditation assures parents that camp practices have been measured against up to 300 national standards and go an extra step beyond the state's basic licensing requirements. ACA standards include emergency preparedness, program practices and health care. We have been ACA certified since the summer of 2000 and are one of only six park districts in the Northwest Chicago land area that have received this distinction. We invite you to find out for yourself why we run one the best day camps around by registering your child for the 2010 camp season!

Registration begins February 3rd, 2010
